Commodore's Comments

Can you believe it? Winter is coming to an end. The snowbirds are starting to come back to town and the ice is out of the harbor!

March was an eventful and fun month. The Juniors had a Sock Hop and put on quite a party for the Club with great food, music, and dancing. I would like to thank all of the Juniors and advisors involved with putting this event together. A group of us from the Club attempted bowling in a 9-pin tap to support Breast Cancer. I am confident that most of us won't be seen on the Pro Bowling Tour anytime soon. I have also determined the "Vortex" actually will follow us "out side" the confines of the Club!

The month of March also was very busy with Club needs. The Bylaws and Rules Committee has been working feverishly on the next revision to our book. The inner harbor dredge plan has been put together and we have received several bids. Decisions will be made soon. The inlet dredging is in process.

April will be another eventful month, as we will be getting ready for launch. The plans for launch are being reviewed. Schedules on how all of this will work will be communicated soon. We will need some assistance sprucing up of the Hall with cleaning and waxing of the floors. Watch for emails with dates and times. If you need hours make sure you to talk to the Committee Chairs or myself, we can always find something for you to do. I am hopeful the inner harbor dredge will be finalized soon and we get this project behind us.

The bar has started summer hours as of April 1st – no fooling!

I want to thank everyone who attended the March General Membership Meeting. My hope is that this show of attendance will be at each meeting. The feedback received is invaluable to the Board and myself. It is your Club and participating in the meetings ensures that we all stay on track.

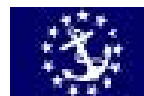

I have finished my first quarter as Commodore of SMYC. As busy as it seems to get on occasion, I truly have enjoyed every moment. I am incredibly impressed by our membership and how helpful it has been. I want to thank the Board for watching over me. Together we are getting things done and I appreciate their patience. I have learned a lot from the time spent to date and look forward to the rest of the year. We do have a great deal on our collective plates to take care of this year. We, or maybe it is me, also need to remember that we need to have fun. If you have an idea for a club event, please don't hesitate to contact **Cheryl Rybka**.

I can hardly wait to see the boats back in the water!
