Commodore's Comments

In case you haven't heard our Pig Roast, Open House weekend has been moved up one week in August. The event starts on Friday, August 24th, **Barb and Mickey Nowak** are gearing up for another excellent event. It is a meat lovers dream, one of the finest morsels of beef to be found anywhere on the Great Lakes. Followed up by some great entertainment by Chuck Travis, Saturday, August 25th the grills are hot all day for our annual Pig Roast. Team **Kiki Kilman** and **Paula Modlinski** have been working hard on another successful day. Our Grill Masters will be busy grilling chicken and pork all day. There will be fun, games, and raffles all day. The **Junior's** are also cooking up lunch (we hate to run out of food). Entertainment for the evening is with Stoneship Eden. Finally breakfast will be served on Sunday morning August 26th, **Leroy Ciombor** and **Bob Smith** are breakfast making machines. As you can see it is a fun filled weekend, bring your family and friends down we always have a great time. Tickets for Friday and Saturday are available at the bar right now.

Now I would be remise if I didn't mention to thank all of the volunteers that help during this weekend. Work Sign Up sheets are available at the bar. This weekend events couldn't happen if it wasn't for all of the support from our members. If you can help with any or all of the days make sure you contact **Barb, Mickey, Kiki, Paula, Leroy, or Bob** – I am sure they will have something for you to do. So thank you in advance!

July was a very busy month around the Club. I want to thank all of the helpers during the Beach Party. We lucked out again and the day was beautiful and the sausage cooked to perfection. **Jerry Kotarak** and **Mike Mecha** performance was terrific. They were even able to get a few members from the crowd to entertain. **Bob Minerick** play the harp like I have never heard before and **Bill Wheatley** was able to bring most of the crowd to tears with one Elvis song. We had some special guests, Mary Catterlin and Amy Lukas who are traveling around Lake Michigan in a wooden canoe. If you would like to track their expedition check out <http://lakemichiganinadugout.blogspot.com> for latest information. By the way, **Tom Schulz** was able to collect \$305 from members at the July General Membership Meeting to donate to the girl's expedition.

One other big deal event was that the SMYC fishermen held a fishing contest with SSYC. SMYC was able to return the traveling trophy back to our Club. Congratulations to all that were involved.

I hope to see you all around the Club.

Juniors Update

Happy August everyone! A few weeks ago we all voted for your 2012-2013 Juniors board and I have the results. This year's president is **Adam Hock**. Vice president is **Kirstynne Hock**. I, **Ashley Hock**, am the secretary again for this year. And your new board members are **Karina Popek** and **Lauren Buchholz**. Congratulations to everyone!

The Heritage Day Parade on July 28 was a lot of fun! Thanks to **Adam Hock** and **Dave Blake** we had an awesome float this year. We would like to thank **Dave Blake** for driving the truck during the parade. He did an awesome job. Thanks to **Kandi Hock** for getting the candy and the window decorating markers because the kids loved the candy and the truck looked pretty cool! Also, we would like to thank **Sharyn Hock** and **Allen Hock** for making us lunch after the parade. I already can't wait until next year!

Dave Blake has invited all of the Juniors to his house the day after Pig Roast, August 26, for an end of the year party. The party will start around 12:30 and this will be our last sailing day. Families are encouraged to bring a side dish or dessert. See you then!

Pig Roast lunch this year is on August 25. As Juniors we serve lunch from 10:30 until 1:00 so please plan to be there about 9:30 to set up and to stay a little longer to clean up. Please tell your family and friends because all the profits go into our Juniors fund that help pay for the supplies we need each week.

Lastly we would like to continue to thank the parents for bringing dinner each night after sailing. Keep up the good work everyone and have a wonderful rest of summer!

Your Juniors Secretary,
Ashley Hock

Lake Michigan in a Dugout

As of 8/07/2012, Mary Catterlin and Amy Lukas, the girls that stopped in at our SMYC Picnic on 7/14 in their hand-made dugout canoe have made it to Sturgeon Bay. You can follow their blog/journal and progress at: <http://lakemichiganinadugout.blogspot.com/>

At the last general membership meeting, members graciously donated funds to the expedition and the

hand-made topographic wood plaque of Lake Michigan hanging on the Clubhouse wall near the pool table is a "thank you" from the girls. They had some nice things to say about our club in their blog and have been featured in several newspapers as they make their way around Lake Michigan.

Membership Card Notice

New membership cards are now available with the correct expiration date at the bar. I'm sorry for any inconvenience this may have caused anyone.

SMYC vs. SSYC Fish-On/Fish-Off Recap

I would like to thank everyone that participated in the SMYC vs. SSYC Fish-On/Fish-Off. We had great participation and cooperation amongst all SMYC captains, and it showed at the scales. If you fished on behalf of SMYC this year, and I haven't had an opportunity to thank you, THANKS! Riding in my boat back to SMYC with the traveling trophy secured in the Knot Too Shabby is probably my favorite boat ride of the year. Congrats go out to EZ Rider for big Lake Trout, Yellow Boat for biggest Brown Trout,

Aqua Condo for biggest Rainbow, Fish On for biggest King Salmon, Higgins for first boat in with 15 fish and Fire Escape for biggest fish of the contest, an 18.7 pound King. Biggest catch awards went to Klam's Chowder (4th overall), Fire Escap (2nd overall) and Keepin' It Reel (Best Catch! - pictured to right).

All in all, SMYC bested SSYC by a score of 1,427 to 1,098. Again, this truly was a team effort and I can't thank the captains enough. GREAT WORK TEAM SMYC!!!
